## ACCESS INFORMATION

Most areas of the house are accessible by wheelchair, including the admissions point, shop and café. The basement is not accessible by wheelchair. There is a lift to the first floor for wheelchair users. There are extensive grounds and gardens with opportunities for a sensory experience with some changes in level in the grounds and paths. There are many benches and resting points located around the grounds.

- |                                |                                 |
