National Trust permissive open access areas
The National Trust is a charity, registered number 205846.

Access gate
There are numerous access points across the National Trust land. Key gates are shown on the map, but others are available.

Fargo drop off point. Ask the driver to stop here if you'd like to get off and walk the remaining distance to stones.

Key to visitor centre facilities

- Transport
- Ticket office
- Exhibition
- Shop
- Parking
- Coach parking
- Motorhome parking
- Toilets All toilet locations have an accessible toilet.

- F** Station Stones
- G** Station Stone markers
- H** Sarsen stones
- I** Bluestones
- J** Horseshoe of sarsen trilithons
- K** Aubrey Hole markers
- L** Bank and ditch

ACCESS INFORMATION

The path around the stones is accessible, weather dependent. The landscape is uneven in places and may be unsuitable for standard wheelchairs.

- Assistance dogs are welcome in all areas of the site open to the public.
- There are accessible toilets, baby changing and accessible changing facilities at the Visitor Centre.

You can either walk or take a shuttle bus to the Stone Circle. You can explore the rest of the landscape on foot to discover many other ancient monuments in this World Heritage Site. Please take care near roads and keep to the designated paths at all times when walking along them. While Stonehenge is managed by English Heritage, the National Trust owns the surrounding landscape.
