

WITLEY COURT

Summer planting

***Dahlia* 'Orange Nugget'**

A low, compact dahlia with scooped and rounded rich orange petals. Flowering from July to the first frosts of autumn.

***Begonia* 'Nonstop Pink'**

Flowering throughout the summer months until the first frosts, this begonia has glossy green foliage and double pink flowers.

***Dianthus barbatus* 'Indian Carpet Mixed'**

Grown as a biennial for flowers in spring and through summer, this sweet william has shades of white, pink and red in unique patterns on each sweetly-scented flower.

***Salvia farinacea* 'Salmia Pink'**

A summer-flowering hardy perennial salvia that produces an abundance of light and dark pink flowers on tall black stems.

***Impatiens* 'Beacon Rose'**

Often referred to as "Busy Lizzies", this cultivar has simple green foliage and vibrant pink five-petalled flowers from spring through summer.

***Canna* 'Prince Charmant'**

This canna has tall stems with grey-green leaves, and bears small pink flowers from midsummer into early autumn.

***Jacobaea maritima* 'Silver Dust'**

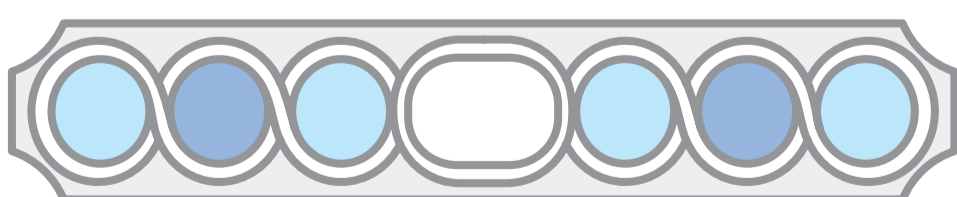

Grown as an annual for its finely-divided silvery white foliage. Sometimes produces loose clusters of yellow daisy flowers in summer.

***Salvia farinacea* 'Victoria'**

A compact salvia which blooms profusely through summer to the first frosts of autumn with rich violet-blue flower spikes.

***Petunia* 'Eagle Blue'**

This petunia produces large flowers ranging from rich blue to purple from early summer until autumn.

***Begonia* 'Nonstop White'**

Flowering throughout the summer months until the first frosts, this begonia has glossy green foliage and bright white flowers.

***Dahlia* 'Garden Wonder'**

A decorative dahlia cultivar with compact deep red flowers through summer to the first frosts of autumn.
