

CREATE YOUR OWN MEDAL DESIGN

Step 1: Once you've finished your design, glue it to a sheet of card.

Step 2: After the glue has dried, cut out the medal.

Step 3: Make a hole at the top (you might want to ask an adult to help you with this or you could use a holepunch).

Step 4: Thread a length of ribbon through the hole and tie the ends together.

Step 5: Ask an adult to scan your medal or take a clear photograph and send it to us at membersmagazine@ourmedia.co.uk, along with your full name and age, and your parent or guardian's membership number, name and address.
