

Object(s) Donation Enquiry Form

Thank you for considering donating an object to English Heritage. Gifts of objects play a vital part in helping us to tell the story of England and in connecting our visitors with generations gone by.

We welcome gifts of objects that enhance our existing collection or have a special connection to an English Heritage site, and always make sure we have the resources available to display and care for the gift. As a result, we consider each offer in line with our Collections Development Policy. Unfortunately it is not possible for us to accept every donation.

If you would like to donate an object to English Heritage, please complete the form below, attaching images of the object, and return to collections@english-heritage.org.uk. Our curatorial team will review the object. If your object donation is part of a legal bequest, the team will contact EH legacies team on your behalf. We will get back to you within 10 working days to let you know if we are able to accept the gift.

Thank you for getting in touch.
