### DISCOVERY VISITS

Our Discovery Visits are award-winning, hands-on, expert-led, site-based activities that combine inspiring experiences outside the classroom with quality learning. At just £100 a session at selected sites, these visits are delivered by our experts and have been designed to meet the needs of different groups across the key stages. Led by specialist educators, site staff and volunteers, with knowledge and expertise across the curriculum, they enable students of all ages and abilities to meet characters from the past, role-play or handle intriguing objects.

### STONES AND BONES DISCOVERY VISIT

We can help to inspire your students with the Stones and Bones Discovery Visit, an interactive guided tour of the stones, recreating a burial and investigating replica artefacts to uncover the fascinating history of the site.

### PRIOR LEARNING

We recommend you do the following before the Discovery Visit:

- Use the Glossary in the **Teachers' Kit** (on our Schools page) to familiarise students with key terms such as: prehistory, archaeology, replica, Stone Age, Bronze Age.
- Check students know where the Neolithic period features on a timeline.
